2024 Spring Programs

Using a Pension File to Identify a Missing Father

The Rice brothers were born near the start and the end of the Civil War. Their alleged father, David, is not on any census record with them. Could David have served in the Civil War? Learn how military records helped solve this research question. Presented by Deborah Kitko, MLIS, Wayne County Public Library Genealogy Librarian and Ohio Genealogical Society (OGS) Trustee.

MAR. 10

2:00 pm

Wills & Estates on Ancestry and FamilySearch

Wills and estate records can be gold mines of information for genealogical research. Learn how to find these documents online at *Ancestry* and *FamilySearch*. Presented by Margaret Cheney, Past President of OGS.

APR. 21

2:00 pm

Evaluating Online Family Trees

Ancestry and similar websites include family trees created by others. How do you know if they are correct? In this class you'll look at examples – including the tree of Luke Skywalker – to learn how to separate fact from fiction when it isn't quite so obvious. Presented by Miranda Fein, Medina Library Associate.
