Our members share an interest in genealogy. Their experience ranges from beginner to Certified Genealogist. A primary goal of the chapter is to educate individuals on all aspects of genealogy research. This is achieved at the monthly meetings and special training classes. Members will receive "The Medina County Story" newsletter which is published quarterly and assists in this goal. Members are entitled to place a query in the Newsletter once each year to ask for help to find missing ancestors. Please send your query in an e-mail to the following address: newsletter@MedinaCoOGS.org. Use the term "Query Request" in the subject line. Also, research assistance is provided for both members & non-members. Our website details how to use this service.

Membership dues cover a calendar year. Renewal membership dues are to be paid by January 31 of the calendar year. If payment is not received by this date, membership is terminated.
