Our members share an interest in genealogy. Their experience ranges from beginner to Certified Genealogist. A primary goal of the Chapter is to educate individuals on all aspects of genealogy research. This is achieved at the monthly meetings and special training classes. Members will receive “The Medina County Story,” the chapter’s quarterly newsletter. Members are entitled to place a query in the newsletter once a year to ask for help to find a missing ancestor. Please send your query in an email to newsletter@medinacoogs.org with “Query Request” in the subject line.

Also, research assistance is provided for both members and non-members. Our website details how to use this service.

Membership dues cover a calendar year. Renewal membership dues are to be paid by January 31 of the calendar year. If payment is not received by this February 29, 2025, membership may be terminated
